INSURANCE COVER FOR STUDENTS UNDERTAKING PHYSICAL ACTIVITIES

Physical activity and physical education, particularly contact sports, carry inherent risks of injury. Parents/carers are advised that the Department of Education does not have Personal Accident Insurance cover for students.

Department of Education has public liability cover for all approved school activities and provided compensation for students injured at school only when the Department is negligent. If this is not the case, then all costs associated with the injury are the responsibility of the parent/carer.

It is a personal decision for parents/carers as to the type and level of private insurance they may arrange to cover students for any accidental injury that may occur.

I have read, understood and agree with the above mentioned.
